Standing Conference of Public Enterprises (SCOPE), being the apex body of public sector enterprises (PSEs) in India has been playing a constructive role in going beyond the general set up of capacity building programs by inculcating international best practices and helping PSEs in meeting highest set of benchmarks of governance and good business without compromising on the commercial aspects.

SCOPE has evolved itself into an effective organization by reinventing, repositioning and rebooting itself through a series of novel initiatives thereby developing into an Impactful, Innovative and Inspiring apex body expanding its horizon beyond learning and development to effective policy advocacy, research & studies and brand building to enable PSEs to carve a niche for themselves in the global map.

Certificate In Project Management (CIPM)

Certification is based on TPM Syllabus

Certificate In Project Management (CIPM) is ISO/IEC 17024:2012 accredited. It is administered by International Institute of Projects & Program Management (i2P2M).

Certificate In Project Management (CIPM) is administered by International Institute of Projects & Program Management (i2P2M), which is the only Indian Company with ISO/IEC 17024:2012 accreditation in Project Management for its Certificate In Project Management from

(International Accreditation
as per ISO/IEC 17024:2012)

NABCB - National Accreditation Board for Certification Bodies under Quality Council of India (QCI). The nodal ministry of QCI is Ministry of Commerce and Industry, Government of India.

ISO/IEC 17024:2012 provides a framework for ensuring consistency, credibility, and quality in certification programs. By complying with this standard, **certification bodies** can demonstrate their adherence to internationally recognized practices and build trust among all stakeholders.

CIPM exam methodology is most robust amongst all the other global PM certification bodies. CIPM is the only certification at a global level which has negative marking.

A candidate has to pass in 4 Sections independently as well as in securing overall passing marks.

**A great recognition
for CIPM**

CIPM holders will also be eligible to get certification from International Association of Project Managers (IAPM), Liechtenstein, Europe

CIPM certification is recognised by International Association of Project Managers (IAPM). After acquiring CIPM credential, one is eligible to get Certified Senior Project Manager (CSPM) from IAPM, a reputed global organisation. CIPM is a great global credential. CIPM holders can acquire CSPM credential from IAPM, Europe thereafter by paying a small fee.

MOU with Philippines

Historic MoU was signed on 7 July 2023, between **Construction Manpower Development Foundation (CMDF), Philippines**, a national government agency created pursuant to Presidential Decree No. 1748, Philippines and **International Institute of Projects and Program Management (i2P2M)**, a not-for-profit company under section 8, India. The ISO/IEC 17024:2012 accredited CIPM certification. It has replaced PMP of PMI by Totality of Project Management leading to the Certificate In Project Management (CIPM).

Feedback of Totality of Project Management Workshop from August 29 to 31, 2023, New Delhi organised by i2P2M in association with SCOPE

Teaching methodology is superb. Mam teaching skill is excellent. Hand out is a compressive and good to learn.
- Matruprasad Behera, NALCO

After going through this program, I can now contribute to the company and in nation building.
- Tarun Samanta, Bridge and Roof

It will be better if TPM's goal can be integrated to more employees of an organisation for better handling of projects.
- Koyel Mahato, SPMP, Kolkata

Well Organised intensive Programme.
- Sameer Mahantare, MOIL

Few other feedbacks

Superb faculty and excellent exposure, best learning experience and massive gain in knowledge of project management.

- Dr. Deepak Mishra, SAC, ISRO

"Totality of Project Management (TPM) was superb program and Madam Ruchira Jain's teaching skill is superb. It is memorable and life time experience.

- S M Yadav, Project Manager (Civil), DMRC

"Superb program, superb faculty, 100% satisfied. Was mind blowing. The programme was arranged nicely. There is lot of contents which is priceless. It must be kept mandatory for any engineer to first go through this course and thereafter he can be selected in Project Department".

- P R Parate, GM (PJ), IOC

"Really lucky to have enrolled in this course. The Totality of Project Management (TPM) is absolutely a gem. It mixes all basic and the profound and neatly connects them with simple and solid fundamentals. Top of the shelf course".

- Anupam Mukherjee, AGM, NTPC
